“This new contract is an exciting and efficient way we can provide AGCO products and services to help these agencies maintain and enhance their green spaces. It also is a new

opportunity for these professionals to access some of the very best equipment available,” explains Korey Maryland, government sales manager for AGCO in North America. “We look forward to partnering with the State of Michigan agencies in the years to come.”

State agencies, local government entities, private nonprofit institutions of higher education and other authorized political subdivisions can purchase equipment such as tractors, mowers, box blades and other attachments using Term Schedule Contract 071B7700094 now, through January 12, 2021. The agreement provides the state agencies of Michigan competitive pricing on the entire portfolio of AGCO’s Massey Ferguson tractors and implements, sold, serviced and supported by Massey Ferguson dealers within Michigan.
